Hi Emma,

The policy is going to our board for approval tonight and will be ready tomorrow. I wanted to have board approval before submitting to you. So that you know, our draft policy is the same as the KSBA policy you sent me from another district as a sample last Thursday. I will send the policy once the board approves it tonight. I hope this update helps!

Thanks,
Stephanie

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or concerns.

Stephanie,

Good morning to you! I am reaching out to you as we have reviewed your policy again and it appears you have opted to enforce the prohibited list. I need to discuss with you as that will impact some courses such as PSY 110. Do you have a number where I can reach you?

Thank you so much!

Wendy

Good Afternoon, Emma!

Here is our board-approved policy relating to SB 150. Our Boyle County Team will meet on Monday to make plans for permission forms, parental consent, and any other issues related to dual credit. We will be sure to follow up with you on our plans. Thank you for helping us navigate this, Emma!

Best,
Stephanie

Hi Emma,

The policy is going to our board for approval tonight and will be ready tomorrow. I wanted to have board approval before submitting to you. So that you know, our draft policy is the same as the KSBA policy you sent me from another district as a sample last Thursday. I will send the policy once the board approves it tonight. I hope this update helps!

Thanks,
Stephanie

Just a quick follow-up to BCTC's request for the district's policy regarding SB 150.

The college will need the district's policy as soon as possible. Without the district's SB 150 policy, there may be a delay in the enrollment of dual credit students this fall.

Please, let me know if you have any questions or concerns.

Thank you,

Dr. Gibbs

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or

concerns.

Thank you, Dr. Gibbs
